

TOWNSHIP OF McNAB/BRAESIDE

INFORMATION

SESSION

Information meeting will be held for ratepayers to review and discuss the following items:

Extension of high-speed Internet service (Broadband) in the Township of McNab-Braeside

When: Wednesday, December 16th, 2009

Time: 7:00 p.m.

Where: Council Chambers, 2508 Russett Drive

Bell representatives will be available to address the details of the current Broadband project. This initiative will see high-speed Internet service extended to areas of Russett Drive, Braeside, Sand Point, White Lake and Burnstown before the end of 2010.

This project is valued at more than \$987,000.00. It involves the townships of McNab-Braeside, Admaston-Bromley and Bell and is part of the "Rural Connections" Broadband Program of the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA).

Discussions at the December 16th information session will include details of the technology being installed, the areas being served, project time-lines and subscriber costs.
